FOREWORD

"Be a preserver of all that is good in the world, not a destroyer. Photography is one of the countless ways we do it. Photography is a language we can all understand. It's a moment frozen in our hands to look at it over and over once it has passed. And, we celebrate photography as celebration of life."

I am happy that more and more camera users are becoming interested in all branches of photography and producing good images as we see in the present MP CIRCUIT. However, it will not be out of context to mention that in this branch of photography, 'Print' alteration is strictly prohibited, thus while selecting images, judges have kept this fact in mind.

We would like to thanks all participants to make "MP CIRCUIT" 2020 a success.

We are upcoming with **DIGITAL INDIA CIRCUIT 2020 (Digital)** – Eight sections Open Color, Color Theme – City Life, Open Mono, Mono Theme – City Life, Nature, Wildlife, Photojournalism & Photo Travel - Eight Sections with 6 Judging and **UNIVERSAL IMAGE CIRCUIT 2020 (Digital)** – (Online Judging - Eight Sections with 3 judging).

We are looking forward to seeing more new ideas in photographic images in the upcoming exhibition.

To make the circuit a success, I also sincerely thank the following: -

Suman Bhattacharyya (PSA) & Andreas L Andreou (ISF), Manolis Metzakis (GPU) & Chitrangad Kumar (WPAI) for personal help and guidance, YES Bank Mayur Vihar, Delhi, our banker, the Postmaster & the staff of Patparganj Post Office, Delhi-110091 for taking care of entries, Dharam Reprographics - Nehru Place for printing documents for MP CIRCUIT exhibitions, Organizing Clubs, Judges and last but not the least our most valuable entrants without whom circuits are not at all possible.

Regards,
Sarabjit Kaur

Add now to your salons the prestige of best image quality !

IMAGE SANS FRONTIERE is an international organization that promotes images in all its forms to privilege exchanges and meetings.

There are no geographic, artistic, technologic, frontiers.

Since its creation in 1994 **IMAGE SANS FRONTIERE** brings together the best World Photo Artists and builds bridges of love and friendship.

We are proposing a label of **IMAGE SANS FRONTIERE** to all the organizers of national or international competitions of proven quality. This label allows giving out medals and diplomas to the best authors or to the best images.

A label that makes the difference you diserve!!!

We insure then the publicity of the labeled contests through our bulletin reserved for our members and on our web site: **www.image-sans-frontiere.com** by creating a link with you.

An exhibition with label allows the participating photographers to ask for Distinctions **IMAGE SANS FRONTIERE**, with supplementary points by acceptance or by subsidized image, accessible from 50 acceptances. Points of acceptances in salons with labels ISF are doubled.
